## REQUEST FOR REVIEW OF PATENT TERM ADJUSTMENT

Mail Stop Patent Ext.  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

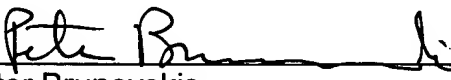

Sir:

In accordance with Applicant's duty of disclosure in patent term extension proceedings under 37 C.F.R. 1.765, Applicants bring to the attention of the U.S. Patent and Trademark Office a possible error in the patent term adjustment

calculated for the above-referenced patent accompanying the Notice of Allowance, mailed 4/12/06. Pursuant to 37 C.F.R. § 1.704(b), the period of adjustment should be reduced by the number of days, if any, beginning on the day after the date (the 3 month date) that is three months after the date of mailing or transmission of an Office communication notifying the applicant of a rejection, objection, etc., and ending on the date a corresponding reply was filed.

In the present application, a Notice to File Missing Parts was mailed on 11/17/00. The 3 month date was therefore 2/17/01. Even though Applicant's response received the benefit of filing on 2/17/01 for extension purposes, the response was deemed to have been filed on 2/20/01, thereby incurring a 3 day patent term reduction according to 37 C.F.R. § 1.704(b). Presently, this 3 day patent term reduction does not appear to have been included in the calculation of the 1281 day extension accompanying the Notice of Allowance, mailed 4/12/06.

Respectfully submitted,

  
Peter Brunovskis
